

TAG

GRAFFITI REMOVER

TAG - is a dark brown liquid with a mild citrus odour. It is based on a blend of low odour, low toxicity solvents, which combined with a unique activating agent, effectively removes graffiti quickly with a minimum of risk to the operator.

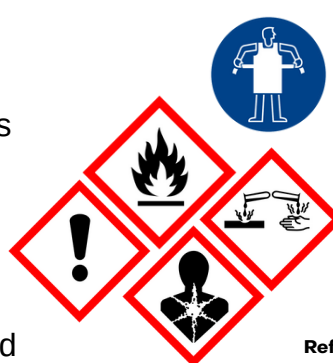

TAG is used specifically for the removal of graffiti from all surfaces. These include brickwork (painted and unpainted), concrete, various types of metals (galvanised, aluminium and steel) as well as timber surfaces. Due to the quick action of **TAG** even graffiti on painted surfaces can be removed effectively without causing undue damage to the paint.

FEATURES AND BENEFITS:

- Biodegradable
- Low odour
- Multi functional
- Fast acting - removes all graffiti in 2-3 minutes
- Works on all surfaces
- Free rinsing -requires high pressure rinse only
- Suitable for use on warm surfaces

DIRECTIONS FOR USE:

Apply **TAG** to a DRY surface using a brush or broom. Allow 2-3 minutes contact time, then high pressure rinse off with cold water.

DANGER

CONTAINS:
BENZYL ALCOHOL 30-60%
ETHANOL 10-30%

Refer to Safety Data Sheet, for more information.

TECHNICAL INFO

Appearance - Dark Brown Liquid

Fragrance - Citrus

Meets environmental standards

Ph - 12-13

Pack Sizes - 15lt drums

Shelf Life - 2 years
