

SAFECLEAN

DETERGENT DEGREASER

SAFECLEAN is a versatile, non-caustic multipurpose detergent degreaser specially formulated for the rapid removal of grease, grime, and food-based residues from a wide range of surfaces. It is ideal for cleaning kitchen walls, floors, food prep areas, cooking equipment, and appliances such as hot plates, deep fryers, combi ovens, and exhaust canopies.

SAFECLEAN delivers powerful degreasing performance while remaining gentle on sensitive surfaces, making it suitable for use in commercial kitchens, food manufacturing environments, and HACCP-compliant cleaning systems. Its flexible application method—via mop, swab, or spray—makes it economical and effective across a variety of cleaning tasks.

FEATURES AND BENEFITS:

- Non caustic formula
- Water based blend of solvents and surfactants for superior cleaning performance.
- "ONE SHOT" product suitable for multiple cleaning applications.
- Safe to use on all food contact surfaces when used as directed.
- Concentrated formula

DIRECTIONS FOR USE:

Ready to Use Solution - Mop and Bucket Application

(performance will be enhanced in hot water)

- Add 90mls of **SAFECLEAN** for light duty cleaning.
- Add 120mls of **SAFECLEAN** for medium duty cleaning.
- Add 150mls of **SAFECLEAN** for heavy duty cleaning.

Fill mop bucket with cold or warm water, add **SAFECLEAN** as per level of soiling, damp mop in usual way, ensuring total floor surface is covered. Rinse with clean water.

Ready to Use Solution - Spray and Wipe Application

- Add 10mls of **SAFECLEAN** for light duty cleaning.
- Add 20mls of **SAFECLEAN** for medium duty cleaning.
- Add 40mls of **SAFECLEAN** for heavy duty cleaning

Use on tables, benches or most hard surfaces, spray on and wipe off using a clean cloth.
