

NAPPY WASH

CHLORINATED DETERGENT POWDER

NAPPY WASH – is a fully built, high-performance powdered detergent specifically formulated for nappies, white linens, and cotton fabrics. It combines the power of a detergent, whitener, and sanitiser in one convenient product, providing exceptional soil and stain removal with hygiene assurance.

Designed for use in hot or warm water wash cycles, **NAPPY WASH** penetrates and lifts away organic stains, disinfects, and helps restore brightness to whites.

Ideal for commercial laundries, childcare centres, aged care facilities, and any setting where hygiene and fabric integrity are paramount.

FEATURES AND BENEFITS:

- Triple-action formula – detergent, whitener, and sanitiser in one
- Specially designed for nappies and white cotton fabrics
- Effectively removes tough organic stains such as urine, faeces, and milk
- Provides hygienic sanitisation with each wash
- Works efficiently in hot or warm water
- Helps maintain fabric whiteness and brightness
- Suitable for commercial and institutional laundry systems

DIRECTIONS FOR USE:

Dosage and temperature may vary depending on the level of soiling and load size.

Light soils: 20–30g per kg of dry fabric

Heavy soils: 30–50g per kg of dry fabric

Wash temperature: 60–90°C recommended for optimal performance

Use in conjunction with a final rinse additive **GLOW** (sour/softener) for fabric protection

Refer to Safety Data Sheet, for more information.

Appearance - White Powder

Fragrance - Chlorine

pH - 8-9

Pack Sizes - 15kg Pails.
