

FRESH AIR

DEODOURISER / CLEANER

FRESH AIR - is a high-quality dual-action cleaner and deodoriser designed for use in commercial, industrial, and institutional environments. It is a neutral pH detergent, making it safe for daily cleaning on a wide range of washable surfaces, including floors, walls, benches, and tiles.

Formulated with a unique blend of specially selected perfume oils, **FRESH AIR** offers superior deodorising performance. Its high-residual fragrance technology ensures long-lasting freshness by effectively masking unpleasant odours, making it ideal for use in areas where odour control is essential —such as washrooms, public areas, and waste handling zones.

[Refer to Safety Data Sheet, for more information.](#)

FRESH AIR rinses freely and leaves surfaces clean and streak-free. This versatile cleaner is suitable for use in mop and bucket applications, spray-and-wipe systems, and automatic scrubbing machines.
