

EVERLASTING

RESIDUAL AIR FRESHENER

EVERLASTING is a highly tenacious, long-lasting re-odourant formulated to provide continuous, residual fragrance in toilets, washrooms, and other enclosed areas where odour control is essential. Designed for maximum impact with minimal application, this concentrated product delivers a strong, pleasant scent that can linger for 1 to 2 days from just a single spray.

Ideal for commercial, industrial, and institutional use, **EVERLASTING** is the perfect solution for facilities requiring an effective and convenient method of maintaining a fresh and inviting atmosphere between cleans.

Refer to Safety Data Sheet, for more information.

FEATURES AND BENEFITS:

- Extremely long-lasting fragrance – lasts up to 48 hours
- Highly concentrated – a little goes a long way
- Fast-acting formula for immediate odour control
- Suitable for use in toilets, bathrooms, change rooms, bins, and confined areas
- Leaves a pleasant, residual perfume without the need for continuous spraying
- Ideal for commercial cleaning contractors, public facilities, and hospitality venues
