

ASSASSIN

ODOUR NEUTRALISER

ASSASSIN is a true positive action deodorant that effectively reduces the odour of urine, vomit, fecal matter etc. at the source. This formulation contains a hospital grade bactericide that will neutralise odours at the microbial level, ensuring a fresher and more hygienic environment within 10 minutes of application. Ideal for use in garbage compactors or any problem odour situations such as nursing homes, public washrooms, childcare facilities.

FEATURES AND BENEFITS:

- Liquid formulation for easy dilution
- Powerful organic base to quickly attack odours at the source.
- Fast acting wetting agents to allow penetration of soils.
- Added detergent action permits manual cleaning of soils and spills.
- Will not harm surfaces

DIRECTIONS FOR USE:

Dilute 1 part of **ASSASSIN** with up to 10 parts water, to deodorise garbage bins, dumpmasters, skips or areas where general odour problems exist.

ASSASSIN can also be used to positively treat odour problems in carpets by pre spraying affected areas prior to extraction cleaning (allow 10 - 20 minutes contact time)

Refer to Safety Data Sheet, for more information.
